## **Abernethy sorry for slight**

Fri Jun 01, 2007

DURHAM -- Clarington Mayor Jim Abernethy offered a formal apology to Regional Chairman Roger Anderson at the May 30 Regional Council meeting.

"I would like to formally apologize for the disrespect the Regional Chair(man) was shown at Clarington council," Mayor Abernethy said.

Mr. Anderson was prevented from addressing Clarington council on May 28 when the four local councillors voted to refuse him as a late delegation. Mr. Anderson had attended the meeting to address Clarington's plan to peer review the work done on a proposed energy-from-waste facility and what costs would be fronted by the Region.

Mayor Abernethy said a letter of apology would be sent to Mr. Anderson.
