Region of Durham, Waste Management

COMMITTEE MEMBERS WANTED for an Energy-from-Waste (EFW) SITE LIAISON COMMITTEE

WORKS DEPARTMENT

PUBLIC NOTICE

The Region of Durham is seeking applications from Durham Region residents who are interested in actively participating as a member of a public **Site Liaison Committee** (SLC) in partnership with the Region of Durham and the Municipality of Clarington. The Terms of Reference governing this committee are posted on the Region of Durham's website at www.region.durham.on.ca.

This committee will provide feedback to and exchange information with Regional residents on the site-specific studies currently being conducted on the recommended site for an energy-from-waste facility. These studies are being completed under the Ministry of the Environment regulations as part of the Durham/York Environmental Assessment (EA) for the Durham/York Residual Waste Study. For more information on this study, visit www.durhamyorkwaste.ca.

The Region of Durham will be selecting **five (5)** residents of Durham Region and the Municipality of Clarington will be selecting **four (4)** Clarington residents to participate on this committee. Committee member selection will be based on the qualifications and interest provided with a completed application.

If you are interested in participating on the Site Liaison Committee, please complete and return the application form available on Durham Region's website at www.region.durham.on.ca or contact Elizabeth Lockett (see contact below) to have an application form mailed to you. Applications may also be picked up at the Durham Region Clerk's Office at Regional Headquarters at the address shown below or at the Municipality of Clarington municipal office located at 40 Temperance Street, Bowmanville.

***Applications must be received by
4:30 p.m. on Friday, August 1, 2008***
